Florida GREEKS

2025-2026

GREETINGS, FUTURE FLORIDA GREEKS

The Florida Greek community welcomes you to the University of Florida! With more than 8,300 members representing 62 Greek organizations, joining a sorority or fraternity can be a life-changing experience for any student.

Though unique in its origin, history, members and rituals, each Greek organization on campus holds firmly to the common values of unity and excellence. We invite you to explore all of the amazing possibilities and experiences our Greek community has to offer.

The core values of the Greek community highlight a central focus on student involvement and a commitment to our community. Scholarship, service, leadership and community are the four tenets by which each Greek member strives to live. By highly encouraging these four pillars within every Greek organization on campus, the Greek community at UF exemplifies excellence with members who develop skills to thrive in college and beyond.

The Greek community also fosters unparalleled opportunities for involvement and leadership. From on-campus leadership opportunities, positions within each individual Greek organization and positions serving the Greek community, students become rapidly exposed to a multitude of roles that can enhance their college experience and develop strong leadership qualities. Furthermore, the personal enrichment that accompanies the brotherhood or sisterhood of a Greek organization has proven to be one of the most treasured, creating friendships that last a lifetime.

We believe that being members of the Greek community monumentally shapes who we are today, as well as the kind of people we will become. We will look back fondly on the time spent at UF and recognize the vital impact that the Florida Greek community had on our college experience.

Go Greek, and Go Gators!

WELCOME *Gators!*

Student life outside of the classroom is an integral component of the college experience. Involvement not only makes a large campus feel smaller but also helps promote academic and personal success. Sororities and fraternities are just one way to get involved at the University of Florida. The Florida Greek community consists of values-based organizations committed to our four pillars of **scholarship, service, leadership** and **community**.

Joining a sorority or fraternity is not a decision to be taken lightly. Affiliation with a chapter will mean a commitment to live by the ideals of the chapter and the community every day. In doing so, it is one way to enhance your experience at UF and create friendships that will last a lifetime and create a valuable community.

The Florida Greek community aims to complement and expound on the educational experience. Please consider taking time to learn about our 62 chapters and the entire Florida Greek community by reviewing our website at greeks.ufl.edu or by attending any recruitment or interest meeting of the individual organizations. Welcome to UF!

COMMUNITY AT A GLANCE

Since as early as 1776, fraternities and sororities have challenged students to broaden their collegiate experience, generally founded upon the values of scholarship, service, leadership and the development of lifelong friendships. The Greek community has fostered excellence in college education for generations.

In 1884, the Florida Greek community was established. Sorority and fraternity members at the University of Florida have consistently formed the bonds of brotherhood and sisterhood, graduated with high GPA and provided service to the university and its surrounding community.

Our community is strong and vibrant, with 62 chapters belonging to one of the four governing councils: Interfraternity Council (IFC); Multicultural Greek Council (MGC); National Pan-Hellenic Council (NPHC); and Panhellenic Council (PC). The Florida Greek community at UF provides an opportunity for students to discover and achieve throughout their collegiate years and beyond.

HOW TO JOIN

INTERFRATERNITY COUNCIL RECRUITMENT

The fraternities in the Interfraternity Council participate in fraternity recruitment, a week long experience which gives men a chance to get a feel for fraternity life. Men are given the opportunity to meet various members at different recruitment events determined by the chapters.

See pages 10-15 for more information

MULTICULTURAL GREEK COUNCIL INTAKE

The fraternities and sororities that make up the Multicultural Greek Council participate in Membership Intake, which is a process that is unique and individually organized by each chapter. Students should attend informational sessions and speak to current members for more information about the intake process.

See pages 16-19 for more information

NATIONAL PAN-HELLENIC COUNCIL INTAKE

The nine fraternities and sororities that make up the National Pan-Hellenic Council – known as the Divine Nine – participate in Membership Intake, which is unique to each chapter. The organizations typically have intake once a year in either the spring or fall semester.

See pages 20-23 for more information

PANHELLENIC COUNCIL RECRUITMENT

The 18 sororities in the Panhellenic Council participate in a formalized recruitment process in the fall semester. The potential new members experience several rounds of recruitment to better understand the sisterhood and values of each of the organizations.

Members are empowered to make a positive impact on the community and develop an understanding of civic responsibility through the process of serving others. Community service promotes unity among members and cultivates responsibility, appreciation for differences, empathy and other critical skills students will need for future success.

Serving as an officer or committee chair in a chapter or governing council will help develop a multitude of leadership skills including conflict management, delegation, decision making and effective communication.

Being a member of the Florida Greek community often serves as a gateway to involvement in other areas of campus such as Student Government, student organizations, ambassador programs, student employment and campus honoraries. Members of the Florida Greek community have historically held some of the highest leadership positions and honors on campus.

ADVICE TO INCOMING NEW MEMBERS

Your journey is only beginning and I hope you spend the years you have at UF chasing every opportunity presented to you. It can be hard to make such a large university feel so small, but that is why nearly 24% of our student body is involved in our Greek community. From lifelong friends to professional development to endless mentorship and connections, the Greek experience is truly one of a kind.

Here at the Interfraternity Council, we have 26 chapters that each provide a unique experience to enhance your college experience. The brotherhood, community and opportunities inside a fraternity are unfathomable and will better prepare you for the rest of your life. Even after you find the chapter that fits you best, I encourage you to branch out and meet people across other chapters and councils. Some of my most fulfilling friendships have been found outside of my chapter. Truthfully, I would be nowhere today without the men who have supported and guided me to chase my dreams every day. Take the leap of faith and enrich yourself with all that Greek life offers. It will change your life!

ADVICE TO INCOMING NEW MEMBERS

Welcome to Gator Nation! We hope you are excited for your journey at the University of Florida. While coming to a large college like this may seem daunting, joining Greek Life makes campus seem smaller. Not only will you form close bonds with those in your chapter and the council, but joining Greek life also provides leadership opportunities and allows you to grow as an individual, while being a part of something bigger than yourself. The Multicultural Greek Council (MGC) was founded on Nov. 15, 1999 with the pillars of scholarship, leadership, service, and community. We strive to embody these pillars each and every day in an effort to leave a lasting impression on the UF community. Getting involved in Greek Life can seem intimidating, but my advice to you is to find a place where you feel the most like yourself and explore all the different chapters MGC has to offer. Be open to making new experiences and make your time here at the University of Florida memorable. Congratulations on your acceptance and we hope you can find your place as a Florida Greek Gator!

NATIONAL PAN-HELLENIC COUNCIL

THE UNIVERSITY OF FLORIDA

ABOUT

The National Pan-Hellenic Council, or NPHC at UF is composed of historically Black Greek-letter organizations that evolved at a time when Black students were denied the essential rights and services afforded to others. Each of the NPHC organizations was designed to foster brotherhood or sisterhood and serve as conduits by which action plans could be formulated to influence social action and change in the Black community.

INTERESTED IN JOINING?

NPHC organizations participate in membership intake as needed, either in the fall or spring semester. The exact time is determined by the specific organization, not by the Council. Individual organizations will hold informational meetings throughout the school year. They will provide aspirants with the opportunity to learn more about an organization.

If you have any questions or need further information please reach out to a staff member in the Office of Sorority and Fraternity Life.

ADVICE TO INCOMING NEW MEMBERS

No one understands the difficulty of transitioning to college more than a college student. Greek life gives students the opportunity to join a community full of like-minded individuals from different backgrounds. Specifically, the National Pan-Hellenic Council prides itself in building communities based on scholastic achievement, leadership development and service.

Most of all, we strive to create bonds of brotherhood and sisterhood to give our members a home away from home. The nine organizations under our council work towards improving the lives of the students on our campus. If you're looking to join a legacy of service and achievement at the Swamp, then learn more about NPHC! I advise you to use your time as an undergraduate to explore your interests, then use that knowledge to find creative ways to build towards your future endeavors, but you must take care of yourself before anything else. Remember, it's great to be a Florida Gator!

FINANCIAL INFORMATION

WHAT ARE THE COSTS ASSOCIATED WITH JOINING A FRATERNITY OR SORORITY?

The cost of membership varies from chapter to chapter. In general, the first semester of membership is the most expensive because of one-time New Member and Membership Intake fees. Several chapters at UF offer payment plans and scholarships for members who need financial assistance.

Each individual organization has different financial obligations associated with membership and potential new members are encouraged to ask questions about any other fees outside of dues that they will be expected to pay once initiated.

Where exactly is my money going? It varies from chapter to chapter, however the most common places your money goes are:

- New member and initiation dues
- Chapter dues
- National, regional and local dues
- Social programming fees
- Risk management insurance
- Room and board fees

Additional costs throughout the semester can include but is not limited to meal plans, pictures, gifts, social events, and t-shirts.

Room & Board - The cost to live in the house with the chapter meal plan

Meal Plan - The cost to have a meal plan without living in the chapter house

HOUSING INFORMATION

For many members of the Florida Greek community, living in their chapter house has proven to be a convenient and economical way to enhance their Greek experience. Currently, 40 of the 62 chapters at UF have chapter houses. A full-time house director lives the houses to oversee operations, while houses are managed by a local or national house corporation board and a group of alumni who supervise the house director and chapter finances in addition to advising on facility upkeep. Many chapter houses provide study areas, TV rooms, computer labs, 10-15 meals per week and limited on-site parking.

HOW MUCH DOES IT COST TO LIVE IN THE HOUSE?

For most chapters, the fees for living in the chapter house are comparable to, or in some cases less than, living in a residence hall or apartment and having an on-campus meal plan. Room and board, meals, dues and event costs may be included in one lump sum, therefore making it less expensive than other living situations.

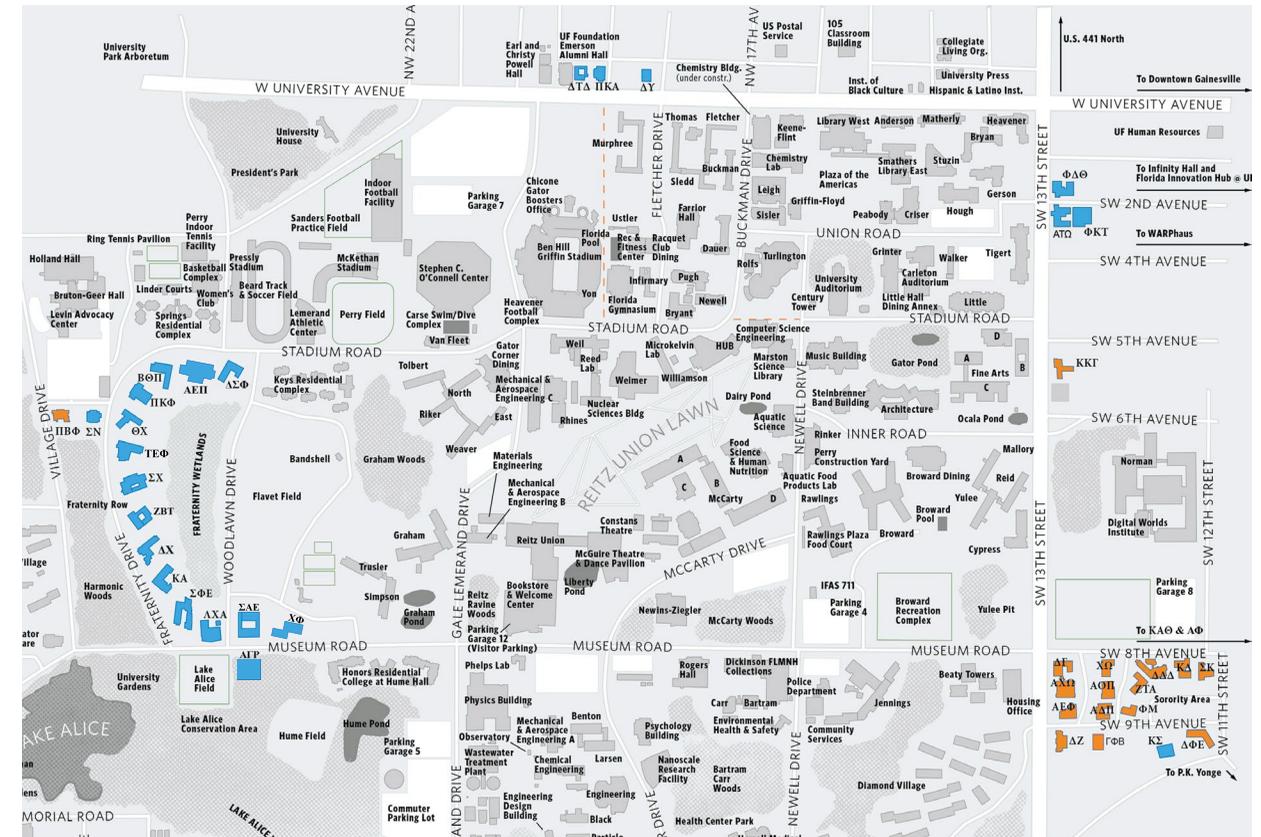

CAN I LIVE IN THE CHAPTER HOUSE AS A FIRST-YEAR STUDENT?

Chapter living facilities house only active members, typically sophomores and juniors. Almost all new members and first-year students live in their respective residence halls, or off-campus apartments or homes. Most chapters fill their houses during the previous spring semester. Members who live “out of house” usually frequent the chapter house during the day and eat lunch and dinner there.

WHAT IF I PURCHASE AN ON-CAMPUS MEAL PLAN?

If you purchase an on-campus meal plan and then join a fraternity or sorority with a chapter house, it is the responsibility of the student to alter their on-campus meal plan if they wish. More information can be found at dineoncampus.com/UF/greek-meal-plans. The student’s account will be billed for usage on the current residential meal plan for the number of days the meal plan was active multiplied by the daily rate of their chosen meal plan plus any Flex used.

For the most up-to-date information, visit the Sorority and Fraternity Life website at: greeks.ufl.edu/resources/faqs/.

HOW MUCH TIME IS EXPECTED OF GREEK LIFE MEMBERSHIP?

Being a member of a sorority or fraternity is a significant time commitment. For most people, the time requirement would be equivalent to taking another three-credit class.

DO I NEED TO PURCHASE A MEAL PLAN IF MY CHAPTER HAS A HOUSE?

Some chapters do require a meal plan.

Housed chapters have their own meal plan programs and provide 10-15 meals a week. Because snacks and weekend meals are usually not included, many members of the Florida Greek community find it convenient to purchase a campus meal plan for missed meals and extra food. For most students, we recommend a declining balance account.

For more information on UF meal plans, please visit: dineoncampus.com/UF/greek-meal-plans

HOW ARE SORORITIES AND FRATERNITIES HELD ACCOUNTABLE?

While self-governing, each individual chapter is held accountable by multiple entities. Chapters are responsible for meeting the standards that are set forth by their international/national organization, their governing council and by UF Policies and Regulations including the UF Student Conduct Code. In addition, each chapter is required to maintain an internal judicial system that is designed to hold members accountable for their actions.

WHAT IS THE UNIVERSITY'S STANCE ON HAZING?

UF seeks to promote a safe environment in which students may participate without compromising their health, safety or welfare and as such takes hazing seriously. Hazing is prohibited by law in the State of Florida and in the UF Student Conduct Code. The prevention of hazing is the responsibility of every member of the university community. To file a complaint, please contact Sorority and Fraternity Life at (352) 846-3171. For more information on the UF Anti-Hazing Policy, visit: sccr.dso.ufl.edu.
