# GREETINGS FUTURE FLORIDA GREEKS

---

The Florida Greek community welcomes you to the University of Florida. With more than 7,000 members representing 66 Greek organizations, joining a sorority or fraternity can be a life-changing experience for any student. Though unique in its origin, history, members and rituals, each Greek organization on campus holds firmly to the common values of unity and excellence. We invite you to look into all of the amazing possibilities and experiences our Greek community has to offer.

The core values of the Greek community highlight a serious focus on scholarship, a high level of student involvement on campus and a commitment to our community. Scholarship, service, leadership and community are the four tenets by which each Greek member strives to live. By highly encouraging these four principles to every Greek organization on campus, the Greek community at UF represents an outstanding group of students who achieve and succeed on a daily basis.

The Greek community also fosters unparalleled opportunities for involvement and leadership. From on-campus leadership opportunities, positions within each individual Greek organization and positions serving the Greek community, students become rapidly exposed to a multitude of opportunities that can enhance their college experience and develop strong leadership qualities. Furthermore, the personal enrichment that accompanies the brotherhood or sisterhood of a Greek organization has proven to be one of the most treasured, creating friendships that last far beyond the college years.

We believe that being members of the Greek community invariably shapes who we are today, as well as the kind of people we will become. We will look back fondly on the time spent at UF and recognize the vital impact that the Florida Greek community had in our college experience.

# WELCOME GATORS

Student life outside of the classroom, is an integral component of the college experience. Involvement not only makes a large campus feel smaller but also helps promote academic and personal success. Sororities and fraternities are just one way to get involved at the University of Florida. The Florida Greek community consists of values-based organizations committed to our four pillars of ***scholarship, service, leadership*** and ***community***.

Joining a sorority or fraternity is not a decision to be taken lightly. Affiliation with a chapter will mean a commitment to live by the ideals of the chapter and the community every day. In doing so, it is one way to enhance your experience at UF and create friendships that will last a lifetime.

The Florida Greek community aims to complement and expound on the educational experience. Please consider taking time to learn about our 66 chapters and the entire Florida Greek community by reviewing our website at [greeks.ufl.edu](http://greeks.ufl.edu) or by attending any recruitment or interest meeting of the individual organizations. Welcome to UF!

# COMMUNITY AT A GLANCE

Since as early as 1776, fraternities and sororities have challenged students to broaden their collegiate experience, generally founded upon the values of scholarship, service, leadership, and the development of lifelong friendships. The Greek community has fostered excellence in college education for several generations.

Since the establishment of the Florida Greek community in 1884, sorority and fraternity members at the University of Florida have consistently formed the bonds

of brotherhood and sisterhood, graduated with high GPA, and provided service to the university and its surrounding community.

Our community is strong and diverse, with 66 chapters belonging to one of the four governing councils: Interfraternity Council or IFC; Multicultural Greek Council or MGC; National Pan-Hellenic Council, or NPHC; and Panhellenic Council, or PC. The Florida Greek community at UF provides an opportunity for students to discover and achieve throughout their collegiate years and beyond.

## **MULTICULTURAL GREEK COUNCIL INTAKE**

The fraternities and sororities that make up the Multicultural Greek Council participate in Membership Intake, which is a process that is unique and individually organized by each chapter. To learn more, attend informational sessions and speak to current members.

**See pages 14 - 17 for more information**

## **NATIONAL PAN-HELLENIC COUNCIL INTAKE**

The nine fraternities and sororities that make up the National Pan-Hellenic Council – known as the Divine Nine – participate in Membership Intake, which is unique to each chapter. The organizations typically have intake once a year in either the spring semester or fall semester.

**See pages 18 - 21 for more information**

## **PANHELLENIC COUNCIL RECRUITMENT**

The 18 sororities in the Panhellenic Council participate in a formalized recruitment process in the fall semester. The potential new members experience several rounds of recruitment to better understand the sisterhood and values of each of the organizations.

Serving as an officer or committee chair in a chapter or governing council will help develop a multitude of leadership skills including conflict management, delegation, decision making and effective communication.

Being a member of the Florida Greek community often serves as a gateway to involvement in other areas of campus such as Student Government, student organizations, ambassador programs, student employment and campus honoraries. Members of the Florida Greek community have historically held some of the highest leadership positions and honors on campus.

#### ADVICE TO INCOMING NEW MEMBERS

First off, congratulations on your admission into one of the most prestigious universities in the nation! I understand, joining a community of over 50,000 of the brightest individuals can be slightly intimidating. Embrace it and decide how you want to leave your mark on the University of Florida. Joining and investing in Greek life is one of the most effective ways to shrink the student body and make your university experience more intimate and productive. Truly take a look inside yourself and decide what you want out of your college experience. Our chapters offer unique values of brotherhood, community and passion in the Gator Nation. Going Greek has tapped me into a vast network that will continue to provide me guidance throughout the rest of my life. Furthermore, my Greek experience has introduced me to lifelong brothers and friends. I encourage you to take the leap and go Greek. As I look back on the past four years I've spent at UF, joining the Interfraternity Council remains the best decision I have made. College flies by, and I hope you too can say the same at the end of your time at UF. I can't wait to see you at recruitment!

# NATIONAL PAN-HELLENIC COUNCIL

## THE UNIVERSITY OF FLORIDA

### ABOUT

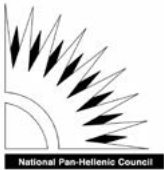

The National Pan-Hellenic Council, or NPHC at UF is composed of historically Black Greek-letter organizations that evolved at a time when Black students were denied the essential rights and services afforded to others. Each of the NPHC organizations was designed to foster brotherhood or sisterhood and serve as conduits by which action plans could be formulated to influence social action and change in the Black community.

### INTERESTED IN JOINING?

NPHC organizations participate in membership intake as needed, either in the fall or spring semester. The exact time is determined by the specific organization, not by NPHC. Individual organizations will hold informational meetings throughout the school year. They will provide aspirants with the opportunity to learn more about an organization.

- NPHC Convocation ..... September 19, 2021
- NPHC Week ..... September 19 - 25, 2021

#### **ADVICE TO INCOMING NEW MEMBERS**

Attending a large institution can be an intimidating experience but at the University of Florida, Greek life offers an opportunity to make the campus much smaller. Joining one of these organizations will allow for individual growth in professional development, networking, leadership and more. The National Pan-Hellenic Council has nine organizations that are founded on significant values and principles. Our community will help form lasting relationships that extend beyond the undergraduate experience. My advice is to not be afraid to get out of your comfort zone and make the most of your experience. Here in The Swamp, you have the capability of meeting people that will inspire you to strive for greater or maybe help you discover what you did not know was possible. Lastly, I want to remind you that you are here for a reason, and welcome to The Gator Nation!

# FINANCIAL INFORMATION

## WHAT ARE THE COSTS ASSOCIATED WITH JOINING A FRATERNITY OR SORORITY?

The cost of membership varies from chapter to chapter. In general, the first semester of membership is the most expensive because of one-time New Member and Membership Intake fees. Several chapters at UF offer payment plans and scholarships for members who need financial assistance. Each individual organization has different financial obligations associated with membership and potential new members are encouraged to ask questions about any other fees outside of dues that they will be expected to pay once initiated.

Where exactly is my money going? It varies from chapter to chapter, however the most common places your money goes are:

- New member and initiation dues
- Chapter dues
- National, regional and local dues
- Social programming fees
- Risk management insurance
- Room and board fees

Additional costs throughout the semester will go to meal plans, pictures, gifts, social events, T-shirts and the like.

## AVERAGE SEMESTER COST

Council	New Member Fees	Chapter Dues	Room & Board	Meal Plan
IFC	\$372	\$1363	\$2700	\$870
MGC	\$220	\$175	N/A	N/A
NPHC	\$1983	\$235	N/A	N/A
PC	\$375	\$858	\$2879	\$1455
UF Housing	N/A	N/A	\$2811	\$2065

**New Member Fees** - Paid the first semester that you join the chapter

**Chapter Dues** - Paid once you become a general member

**Room & Board** - The cost to live in the house with the chapter meal plan

**Meal Plan** - The cost to have a meal plan without living in the chapter house

# HOUSING INFORMATION

For many members of the Florida Greek community, living in their chapter house has proven to be a convenient and economical way to enhance their Greek experience. Currently, 39 of the 66 chapters at UF have chapter houses. Each house is managed on a day-to-day basis. A full-time house director manages each house on a day-to-day basis, and houses are overseen by a local or national house corporation board and a group of alumni who supervise the house director and chapter finances in addition to advising on facility upkeep. Many chapter houses provide study areas, TV rooms, computer labs, 10-15 meals per week and limited on-site parking.

## **HOW MUCH DOES IT COST TO LIVE IN THE HOUSE?**

For most chapters, the fees for living in the chapter house are comparable to, or in some cases less than, living in a residence hall or apartment and having an on-campus meal plan. Room and board, meals, dues and event costs may be included in one lump sum, therefore making it cheaper than other living situations.

## **CAN I LIVE IN THE CHAPTER HOUSE AS A FIRST-YEAR STUDENT?**

Chapter living facilities house only active members, typically sophomores and juniors. Almost all new members and first-year students live in their respective residence halls or off-campus apartments or homes. Most chapters fill their houses during the previous spring semester. Members who live “out of house” usually frequent the chapter house during the day and eat lunch and dinner there.

## **WHAT IF I PURCHASE AN ON-CAMPUS MEAL PLAN?**

If you purchase an on-campus meal plan and then join a fraternity or sorority with a chapter house, the chapter can assist you in transferring your Gator Dining meal plan to the chapter house. If the meal plan is mandatory, the meal plan will be pro rated and transferred to the chapter house at the cost of the new meal plan. Any remaining balance will be left on your Gator 1 Card as part of the declining balance account.

# FREQUENTLY ASKED QUESTIONS

## WHEN CAN I JOIN?

### INTERFRATERNITY COUNCIL

Beginning of fall or spring semester

### MULTICULTURAL GREEK COUNCIL

Varies by chapter

### NATIONAL PAN-HELLENIC COUNCIL

Varies by chapter

### PANHELLENIC COUNCIL

Formal Recruitment: Fall semester, the week before classes

Informal Recruitment: Beginning of spring semester (*Note: not all chapters participate*)

## WHO CAN JOIN?

You must be a currently enrolled, degree seeking University of Florida student. Innovation Academy and PaCE (Pathways to Campus Enrollment) students will be able to seek membership in a social fraternity or sorority as long as they are enrolled and meet all membership requirements. This includes pre-enrollment fall semester. For the most up-to-date information, visit the Sorority and Fraternity Life website at [greeks.ufl.edu](http://greeks.ufl.edu).

## DO I NEED TO PURCHASE A MEAL PLAN IF MY CHAPTER HAS A HOUSE?

Some chapters do require a meal plan. Housed chapters have their own meal plan programs and provide 10-15 meals a week. Because snacks and weekend meals are usually not included, many members of the Florida Greek community find it convenient to purchase a campus meal plan for missed meals and extra food. For most students, we recommend a declining balance account. For more information on UF meal plans, please visit [gator dining.com](http://gator dining.com).

## HOW MUCH TIME IS EXPECTED OF GREEK LIFE MEMBERSHIP?

Being a member of a sorority or fraternity is a significant time commitment. For most people, the time requirement would be equivalent to taking another three-credit class.

## HOW ARE SORORITIES AND FRATERNITIES HELD ACCOUNTABLE?

While self-governing, each individual chapter is held accountable by multiple entities. Chapters are responsible for meeting the standards that are set forth by their international/national organization, their governing council, and by UF policies and code of conduct. In addition, each chapter is required to maintain an internal judicial system that is designed to hold members accountable for their actions.

## WHAT IS THE UNIVERSITY'S STANCE ON HAZING?

UF seeks to promote a safe environment in which students may participate without compromising their health, safety or welfare, and as such takes hazing seriously. Hazing is prohibited by law in the state of Florida and in the UF Student Code of Conduct. The prevention of hazing is the responsibility of every member of the university community. To file a complaint, please contact Sorority and Fraternity Life at (352) 846-3171. For more information on the UF Anti-Hazing Policy, visit [dso.ufl.edu/sccr](http://dso.ufl.edu/sccr).
